## OUR READERS ARE YOUR CUSTOMERS!

Perhaps more so than for any other North American sailing magazine, our readers are point-of-sale consumers. Our readers appreciate our DIY-focused content because they are more inclined to maintain, repair, and upgrade their boats themselves. That means our readers are the sailors standing in the aisles of chandleries and talking to boat yard managers making product purchase decisions. They're the people cleaning and prepping surfaces and installing new whatevers. Our readers are the focused audience you want to reach with your advertising.

- 91% of our readers own sailboats
- 92% of our readers do minor repairs
- 50% do major repairs
- 88% do routine maintenance
- 77% do their own boat improvements

Nearly all (94%) of our readers keep their back issues for future reference. (That means they also keep your ad.) Oh yes, and 48% lend their copies to other sailors

More about our readers.

- 94% do the cleaning and waxing
- 84% install their own deck hardware
- 83% do the woodwork and varnishing
- 76% do their own rigging maintenance
- 74% do the bottom painting
- 75% install all new rigging and deck hardware
- 66% install their own electronics
- 53% install a variety of other systems, such as plumbing, refrigeration, and heating or air conditioning

**91% get their installation and do-it-yourself info from magazines**
